

**James Monds**  
EDgear  
Grades Analyst

# Gradebook for teachers

---

James has worked for EDgear eight years as a grades analyst and programmer. James has interfaced with our Louisiana teacher community and developed a gradebook that over **15,000** teachers used last year. Gradebook calls, emails and places components on Parents web. Gradebook is fully integrated with JPAMS students systems.

## GRADEBOOK COMPONENTS

- All components are instantly on Parents' web.
- Gradebook automatically calls and emails.
- Teachers can use gradebook from home.
- Calls are to Father, Mother, Guardian home and cell.
- Call staff layers such as skip notification

## GRADEBOOK PROVIDES

- Progress reports
- Lesson plan development
- GLE/Unit/Activity tracking
- Homework assignments
- Classroom conduct
- Incomplete grades
- Class statistics graphs
- Automated grade averaging
- Automated drops for leavers
- Initialize discipline referrals
- Post attendance
- Skip and tardy tracking
- Automated possible failure
- Referral status
- Text-to-voice communications
- Seating charts
- Automated new student updates
- Automated schedule change updates
